WELCOME TO CEDAR LAKES!

Folk Art at the Lakes Artisan Workshops

Did you know that our Craft House was constructed in 1959? What started as weekend classes to celebrate our state's folk arts and heritage traditions has evolved into an expansive list of crafts, art, and music instruction that continues until present day.

Cedar Lakes has always had a rich art history, from our classes to the start of the Mountain State Art & Craft Fair in 1963. What started as a one-time event has evolved into a wonderful showcase of artisans from around the state and beyond, many of whom are instructors at Cedar Lakes.

Blacksmithing, quilting, basketry, stained glass, woodcarving, painting, music, fly fishing, nature printing, photography, sculpting, pottery, creative writing, needle felting, origami, tinsmithing, woodturning, chairmaking, knife making, weaving, bread making, paper marbling, gardening, and many, many others have been offered through the years. To those who have attended, coming to Cedar Lakes is like coming home to see old friends.

Whether you are a seasoned professional or looking to pick up a new hobby, we have a great selection taught by the best teachers. We hope you will join us on this journey and become a part of the Folk Artisans family. We promise you will love it!

Jennifer Groves, Program Coordinator

BOWED PSALTERY SYMPHONY

Tish Westman and friends are back for another year of great music and live entertainment. Our May class gets to join in on the fun that week as the groups come together to celebrate art, music, and comradery.

The Symphony blends traditional and modern musical styles with their array of musical talents from performers all over the nation. In this yearly meeting of the minds, the participants blend their skills into a brilliant performance on Thursday evening. Led by their supremely talented director, Tish Westman, with the help of her husband Greg, the dedicated musicians come together to create a symphony filled with an assortment of instruments, such as the bowed psaltery, mountain dulcimer, harp, guitar, and more.

We hope you will join us on this truly magical night filled with wonder and entertainment.

POLICIES & PROCEDURES

REGISTRATION:

- Class size is limited to maximize the learning opportunity—apply early to insure your place.
- These workshops are available without regard to race, national origin, sex or handicap.
- If the minimum enrollment is not met two weeks prior to the date of the class, the workshop could be cancelled and students offered alternate classes.
- Full payment of the class is due 30 days prior to the start of the class.
- A \$15 fee will be charged for any returned checks.
- If students do not receive a confirmation from Cedar Lakes staff, they must follow up to guarantee their registration was received.
- **Cedar Lakes will not accept phone registrations. All registrations must be submitted via a registration form either through mail, email or online.**
- ALL registrations will receive an email confirmation from Cedar Lakes confirming the receipt of the registration and deposit. If you do not receive a confirmation, please contact the Program Coordinator immediately.
- Cedar Lakes is not responsible for lost or incomplete registration forms.

DEPOSITS:

- All classes will have a **\$100 non-refundable deposit***.
- Deposit must be submitted with the registration form, or a credit card may be taken over the phone.
- Because some classes may have waiting lists, students will not be enrolled until the full amount of deposit and registration form are received. Cedar Lakes does not guarantee enrollment in classes unless confirmed by the Program Coordinator.
- **All confirmed enrollments will receive a confirmation from Cedar Lakes.**

ACCOMMODATIONS:

- Cedar Lakes staff will make every attempt at accommodating special requirements for our guests, within reason.
- If you have any special accommodations, such as mobility or dietary requirements, please contact Cedar Lakes prior to your arrival.

CANCELLATIONS:

- We appreciate your understanding of our cancellation policies and willingness to abide by them. Because these classes require out of area travel for many of our instructors and students, we ask that you please help us to avoid unnecessary cancellations.
- Minimum enrollment must be met for classes to proceed, and late cancellations can often result in a class cancellation.
- Because of the costs associated with Cedar Lakes staff and instructors' time, transportation and materials, **deposits will be non-refundable in all circumstances except emergency situations*.**
- Any deposits applied for a class that is cancelled by Cedar Lakes will be refunded in full or transferred to an alternate class, at the student's discretion.
- Any outstanding deposits at the end of the year will be returned to the student using the original payment method.

POLICIES & PROCEDURES

REFUNDS:

- All payments received (**excluding the \$100 non-refundable deposit**) are eligible for a refund if notice is received 30 days prior to the beginning of the class.*
- If notification is not given 30 days prior, the remaining deposit can be rolled over to a future class.*
- A complete refund will be made if Cedar Lakes is required to cancel a workshop due to insufficient enrollment. The student also has the option to transfer to another workshop or roll the deposit over to a future workshop.

*EXCEPTIONS:

- Emergency situations are the only exceptions to these policies and are at the discretion of the Program Coordinator. If you are unsure if you meet this criteria, please contact the Program Coordinator at jgroves@wvda.us or call 304-372-7860.

BASKETRY: ELAINE SINCLAIR

BEGINNER

INTERMEDIATE

ADVANCED

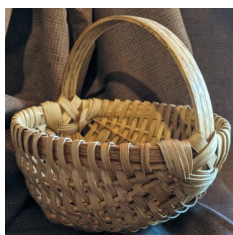

Having fun with color is a class for all levels of weavers, from beginner to advanced. In this class you will learn many techniques as you design and weave your baskets. We will incorporate various colors into your creations. This is a non-stressful, entertaining, fun week. Everyone works at their own pace. *Colors may vary.

Supply Fee: \$100

Dates: May 5-9, August 18-22,
September 22-26

RIBBED BASKETS: DEBBIE MARTZALL

Four basic ribbed baskets will be taught and completed. We begin with a small egg basket that will be completed the first day. This teaches the God's Eye and the basics of a ribbed basket. Second, we make a melon basket, then a potato basket (dyed reed may be used as part of this basket). We finish with a larger egg basket. Staining the baskets is optional, stains will be provided (all staining will take place outside).

Supply Fee: \$55

Dates: March 24-28, October 27-31

Blacksmithing

INTRO TO BLACKSMITHING: MICHAEL YOUNG

In this weeklong class, the students will be introduced to the fundamentals of forging steel using the hammer and the anvil. Students will learn how to draw out tapers, create small scrolls, twists, and bend iron in order to create hand forged hooks. Students will be introduced to different styles of S-hooks and J-hooks with the goal of creating a three hook wall mounted coat rack. Student will be encouraged to use their own creativity and design skills to make a coat rack that they will be proud to display and use in their own homes. If time permits, students will be also make a steak flipper - just in time for the summer grilling season.

Supply/Fuel Fee: \$60

Date: May 5-9

****Must be 16 years and older for all classes****

Clay Sculpting

SCULPTING FACIAL FEATURES: SAMANTHA TAYLOR

Embark on a weeklong journey into the art of sculpting the human face, designed for beginner sculptors eager to refine their craft. Each day of the course focuses on a specific facial feature, allowing students to gain in-depth knowledge and hands-on experience. Starting with the fundamental structure of the skull, participants will progress to sculpting individual elements such as eyes, nose, lips, and ears. The instructor will guide students through anatomical nuances, proportions, and techniques to capture expressions and subtle details. By the end of the week, participants will have developed the skills to create lifelike facial sculptures, equipped with a deeper understanding of artistic anatomy and the confidence to apply these techniques in their own creative projects.

Supply Fee: \$15

Date: August 18-22

Creative Writing

**THE LITTLE ENGINE THAT CAN: THE HEART OF THE
SHORT ESSAY: COLLEEN ANDERSON**

Composing the short essay—one that takes just a few minutes to read aloud—is crafting an artwork in miniature. A good short essay can be intimate, heartfelt, and moving. It combines the narrative flow of fiction, the concise quality of lyric poetry, and the emotional power of song. Creating the short essay can employ the research skills of a journalist, the critical eye of an editor, and the performance techniques of a storyteller. In this workshop we will discuss some of the reasons and inspirations for writing short essays, hear examples of memorable essays, and hone in on the advice of the late Donald McCaig, who said, “The simpler the narrative, the more emotional weight it can carry.” Each day will include a writing prompt.

All Classes Skill Level: Beginners & experienced

Supplies: Notebook, Pen/Pencil, Laptop/Tablet

Date: April 7-11

**THE KEEPSAKE CHRONICLES: LEAVING A LEGACY IN
STORIES: COLLEEN ANDERSON**

The kids don’t want your twelve settings of porcelain dinnerware or Grandma’s silverplated gravy boat. And that big armoire in the hallway? It weighs a ton, even if it your great-great-grandad made it with his own hands. But there’s one gift that is sure to be treasured: your family stories. And those beloved-but-inconvenient keepsakes can be the springboards to wonderful essays, poems, and letters. This workshop will introduce the idea of keeping an inventory of stories and offer examples of ways in which creative writers have imbued those stories with humor, love, and meaning. You’ll be asked to bring a few photos of treasured objects and/or family members. Each day will include a writing prompt.

Date: November 10-14

Music

OLD TIME FIDDLE: DAVE BING

This class is directed toward intermediate to advanced fiddle players. Students will learn various bowing and fingering techniques, while working on expanding their repertoire. Tunes will be broken down to enable students to concentrate on timing and notes, while showing students the different methods of “attacking” the tune.

Quilting

BEAUTIFUL BOUNTIFUL BLOSSOMS: JUDY LILLY

The art quilters will spend the week exploring perspective, value, size relationships, and contrast as we create beautiful white flowers. These large blossoms are defined by light and shadow and we will use various techniques to achieve the look of realism. Students may choose one of four patterns designed by Judy—Daisy, Hibiscus, Dogwood, or Magnolia. Or they may want to make three to incorporate into a Triptych. Each pattern is designed for a 16" x 20" quilt, but they can be enlarged by adding borders or can be stretched onto a canvas for easy hanging.

Skill level: Confident beginner to advanced

QUILT-MAKING DURING WORLD WAR II: KATHY SAUNDERS

During World War II women had to fit quilt-making around their new roles: working in war industry, volunteering in emergency preparedness efforts, or additional responsibilities

caused by commodities rationing and husbands or sons away at war. Join us to learn and discuss the fabrics and quilt-making before and during the war while working on a quilt using the popular 30's and 40's reproduction fabrics. You will receive a notebook with design choices from the time period. I am reproducing the blue and white antique quilt in the photo that was made during the 1940's and you will receive complete directions and patterns for the quilt along with the very popular "Scottie Dog" quilt. Other choices that will include piecing or appliqué will be included in your notebook.

Supply Lists

WORLD WAR II QUILT-MAKING: KATHY SAUNDERS

Fabric Supplies: It is incredibly hard to give exact amounts for fabrics as students choose their quilt size in class. Please consider this as a guide. I am making a full size quilt using the block above. Here are my suggestions:

- A wide variety and assortment of 30's and 40's fabrics. I bought 30 fat quarters which gave me a good selection.
- Background fabrics for blocks. 5-6 yards should be sufficient to make a good sized quilt. This can be all one fabric or a variety. I used white which would have been popular at the time.
- Blue fabric if making above quilt. I bought 3 yards and plan to use it in piecing and binding.
- Other fabrics might include a different choice for binding. The amount would be based upon how big of a project you make. Buying a yard for this would be ample. It is not necessary to have during class.

Other Supplies:

- Sewing machine in good working order that you know how to troubleshoot. (Bring your manual.) Please bring feet for 1/4" piecing and appliqué and extra needles.
- Rotary Cutting Equipment-Board, cutter, rulers. (We will be making lots of Flying Geese for the blue/white segments. My favorite tool for geese is the Wing Clipper by Deb Tucker. I will bring mine.)
- Thread for piecing and appliqué. I used 40wt black for Scottie Dog appliqué and 50wt for piecing.
- Other personal stitching items you like to use.
- (Seam ripper, small scissors, etc.)

Kathy Saunders (email me with questions: kquilt53@yahoo.com)

- Permanent Rose and Alizarin Crimson
- If you have similar colors. You can use those.

Brushes:

- Wash brush synthetic bristles approx. 1 ½ to 2" wide, synthetic flat brush approx. ¾" wide, a round brush #8, and a rigger, long bristles for details, approximately 1" long.

Paper:

- You need a good quality paper. Those compressed pads you can get are only for color mixing and practice. I like Arches but there are good papers like Saunders, Fabriano, Kilimanjaro, Windsor & Newton. 140 lb cold press is what I use mostly. I order from www.cheapjoes.com.
- A palette for your paint, large enough to mix colors, paper towels, sponge, water container, masking fluid.
- I will be bringing extra supplies in case you don't have everything.

STAINED GLASS & SOFT SOLDERING JEWELRY: STEPHANIE DANZ

Supplies:

- Disposable latex/nitrile gloves
- If you have your own tools, you are welcome to bring them
- Must wear closed toed shoes—no sandals
- Apron recommended

WATERCOLORS: DEBBIE LESTER

Supplies:

- I like Winsor & Newton paint.
- Ultramarine Blue and Antwerp Blue
- Gamboge yellow, Indian yellow
- Raw Sienna
- Burnt Sienna
